California Financing Coordinating Committee

2006 FUNDING FAIRS

Infrastructure Financing For the 21st Century

CFCC MEMBERS

	Department of Health Services		State Water Resources Control Board
	Department of Housing & Community Development		US Dept. of Agriculture Rural Development
	Department of Water Resources		California Infrastructure and Economic Development Bank

The California Financing Coordinating Committee (CFCC), created in 1998, consists of six state and federal agencies and departments that work together to offer coordinated and streamlined access to infrastructure financing for California's local communities. More information about the CFCC can be found at: www.cfcc.ca.gov.

PURPOSE OF FUNDING FAIRS

The CFCC Funding Fairs provide opportunities to obtain information about currently available infrastructure grant, loan and bond financing programs and options. Each attendee will receive copies of all slide presentations and additional useful infrastructure financing material. The Funding Fairs also provide an opportunity for attendees to speak directly with program staff about specific projects and issues affecting their community.

WHO SHOULD ATTEND

Public works and local government representatives including city managers and planners, economic development and engineering professionals, officials from privately owned facilities, financial advisors and consultants.
